

STATEMENT OF PURPOSE

RS29777 / S1397

Temporary rules do not follow the negotiated rulemaking process and lack transparency and accountability. This legislation ensures agencies make every effort to promulgate rules utilizing the negotiated rulemaking process instead of temporary rulemaking and may only use temporary rulemaking in emergency situations. The legislation achieves the goals of Article III, Section 29 of ensuring legislative oversight of all administrative rules by prohibiting any temporary rule that is not approved by the legislature in the following legislative session from being repromulgated without going through the negotiated rulemaking process.

FISCAL NOTE

This legislation will have no impact on the general fund because it deals only with the temporary administrative rules process.
